Portal FAQ

1. Why can't I pay my bill?

-You will only be able to access bill pay on the portal if you have an outstanding balance

2. Why can't I see my lab results?

-Sometimes you will find lab results under your Documents tile, Letters or Messages

3. What if the application is refusing my DOB when registering and says it is wrong?

-Please be sure to use proper format of 01/01/2020 (with slashes)

4. Who can I contact if I experience issues or need assistance with the portal?

-When using the patient portal, you can click the "Need Help?" button located in the upper right corner of the screen to access online application help.
-For questions and assistance related to your MyCareCorner account, please call us at **928-668-5512** Monday through Friday from 8am- 4:30 pm CST.

5. When will I receive an invitation to the patient portal?

-Upon discharge from your hospital or clinic visit, the email address that you shared with us during the registration process will receive an auto-generated email from our electronic health record, MyCareCorner

6. What information can be obtained within the patient portal?

-A view of your clinical data from your electronic medical record. Clinical data includes:

- a. Test Results- Lab and Radiology
- b. Medications
- c. Allergies
- d. Immunizations

7. Can my family/friends access the information found on my portal?

-Yes, but only after you have given them permission. As a patient of Wickenburg Community Hospital, you can choose to give an authorized representative access to specific hospital visits. You will be asking this information during the admission process.

8. Can I message my provider through the portal?

-Yes, only if you had an physical appointment with a provider, they will be available to send them a message.
